Work Experience

Web & Interactive Designer, Lokomotive Communications (Asia) Limited, 2009 - current

As a Web designer in this Company, my role is to deal with clients on their needs. I work independently on design and all front-end productions in most of my projects. Depends on every single project, I also work on Interface and CI.

Intern Graphic Designer, TM&N Design And Brand Consultants, 2008

My responsibility in TM&N was to contribute to design Logos, Packaging, Brand-naming and Research...etc.

Freelance Photo Retoucher, City Magazine, 2007

This is a retouching job for a print ads of Sward.

Freelance Web Designer, Impression Workshop, 2007

It is a project for the new company Polayer, to create a new website that allow user to access the up-to-date information of the company and products.

Intern Web Designer, China.com, Beijing, 2006

As an intern Web Designer, mostly I worked on web promoting pages, and website maintenance, and some interface design requested.

Freelance Photographer, Hong Kong Ferry, 2005

Shop Assistant, XinHua Bookcity, 2005

E-learning System Designer, Concept Design Service Centre, 2003
